Dear Colleague

NSI Technical Bulletin 0032 – BS 7958:2015

I am pleased to inform you we have issued NSI Technical Bulletin 0032 giving guidance on the implementation of BS 7958:2015. This is for companies holding, or wishing to hold, NSI Guarding Gold or Silver approval for Closed Circuit Television (CCTV) Management and Operation.

You can use the Bulletin to see the changes made to the standard compared with BS 7958:2009 and you can obtain a copy of the Bulletin from the NSI Guarding Gold and Guarding Silver areas of the NSI website using your login details.

We will audit new applicant companies against the 2015 edition of BS 7958 with immediate effect.

If you hold NSI approval to BS 7958:2009, please make sure an audit is booked in time for the upgrade to the 2015 edition of BS 7958 to take place by the end of June 2017 at the latest.

Please do not hesitate to contact me if you have questions or queries.

Yours sincerely
