Dear Colleague

BS 8418 DRAFT FOR PUBLIC COMMENT

I am writing to inform you that British Standards Institution (BSI) has issued draft BS 8418 "Installation and remote monitoring of detector-activated CCTV systems" as a Draft for Public Comment (BSI Ref: DPC: 14/30293253 DC). This draft is intended to supersede the current (2010) edition of BS 8418, subject to a review of any public comments.

You can purchase copies of the DPC from BSI for £20 plus postage and packing Tel: 0845 086 9001 or email cservices@bsigroup.com or BSI Shop <http://shop.bsigroup.com>.

However the DPC is available for review and comment online via the BSI British Standards Draft Review System (DRS) at <http://drafts.bsigroup.com>. Registration to use the DRS is free and this allows you to submit comments on the DPC if you wish to do so.

Please note the latest date for BSI to receive comments is 31 July 2014.

Yours sincerely

Tony Weeks
Head of Technical Services
