

MH/KL/NSI 025 19

11 September 2019

**To: All NACOSS Gold and Systems Silver approved companies and applicants**

Dear Colleague,

**UPDATE OF MODEL SYSTEM DESIGN PROPOSAL FOR INTRUDER ALARMS INSTALLED TO  
PD 6662:2017**

A new model document is now available in the NACOSS Gold and Systems Silver approved company area of the NSI website, which can be used as a system design proposal template by approved companies who install intruder and hold up alarm systems to PD 6662:2017.

**Where is the document available?**

The document is available for you to download from the NSI website if you are a registered user of the approved company area of the NSI website.

**Questions or queries?**

If you have any questions or queries regarding the implementation of the change, please do not hesitate to contact me.

Yours sincerely,

Matthew Holliday  
Technical Manager
