Dear Colleague,

**NSI GUIDELINES FOR REMOTE AUDITING EMS/H&S**

Please find enclosed remote audit guidelines relevant to EMS/H&S Approval.

These explain how NSI will determine your suitability for remote audits and the preparations necessary.

NSI auditors are equipped to deliver both remote and on-site audits as required.

If you have any questions, you should discuss these with your NSI auditor in the first instance.

Yours sincerely,

Max Linnemann
