Dear Colleague,

Companies certificated to BS OHSAS 18001 were advised that they would need to complete migration to ISO 45001 by 11th March 2021 to retain approval.

In response to the COVID-19 pandemic, the deadline for migration has been extended to the 30th September 2021.

Please contact your Operations Coordinator in due course to advise us when you intend to complete your migration assessment.
