Dear Colleague,

UPDATE TO SCHEME APPROVAL CRITERIA

For your information, updates have recently been made to the Scheme Approval Criteria to include the following:

- An important note in criterion 2.1 regarding the mandatory approval to BS 10800 for guarding approved companies from 1st April 2021, with addition of this new standard to the scheme structure diagram.
- Updated criterion 4.6 which sets out the requirements for a company to have a minimum of 2 employees to be eligible to apply for the NSI schemes described in these criteria.

The updated criteria can be found on the NSI website in the approved company login area (select 'Documents', your approval scheme, then 'Regulations and Approval Criteria').

Should you have any questions regarding the updates, please do not hesitate to get in touch.

Yours sincerely,

Max Linnemann
Head of Certification Services
